- **Check for Errors Improved**
 - **Before 5.5 - always open-and-close tiles**
 - **This is time-consuming**
 - **Now - checks for errors first, if error found program doesn't open-and-close tiles**

Check for Errors Tile # 1, 2, 3, 4, 5, 6, 7

DD 350 Check for Errors is currently automatically opening and closing each tile to ensure that everything is filled-in and matches the contract action.

PLEASE WAIT

Check for Errors

- **Potential problem:**
 - **Change in one answer can require changes in other tiles.**
- **Walking through tiles can straighten up problems**
- **With intractable problem, User may need to start with 1st tile and go through each tile (click Next button)**

(a) Purpose. This clause establishes a procedure by which the parties agree to change this contract per the Changes clause of this contract without an equitable adjustment to the contract price. The parties agree that each change not exceeding _____, which also does not affect the contract delivery or performance schedules or any other contract clause, term or condition shall be a change having no effect on the contract price. For cost contracts, there will be no fee adjustment for each change not exceeding _____ which does not affect contract delivery or performance, or any contract provision.

(b) Procedure. When it is proposed to make a change under the Changes
